

Tabla de cuantiles de la distribución t de Student

(a) El área de las dos colas está sombreada en la figura.

(b) Si H_A es direccional, las cabeceras de las columnas deben ser divididas por 2 cuando se acota el P-valor.

gl	ÁREA DE DOS COLAS						
	0,20	0,10	0,05	0,02	0,01	0,001	0,0001
